Consolidated Financial Statements

THE CORPORATION OF THE TOWN OF SMOOTH ROCK FALLS

Year ended December 31, 2017

Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of The Corporation of the Town of Smooth Rock Falls (the "Municipality") are the responsibility of the Municipality's management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Municipality's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by Management.

Council meets with Management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Municipality. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Municipality's consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of The Corporation of the Town of Smooth Rock Falls

We have audited the accompanying consolidated financial statements of The Corporation of the Town of Smooth Rock Falls which comprise the consolidated statement of financial position as at December 31, 2017, the consolidated statements of operations, change in net financial assets (debt) and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Consolidated Financial Statements

Year ended December 31, 2017

The Corporation of the Town of Smooth Rock Falls (the "Municipality") is a municipality in the Province of Ontario and operates under the provisions of the Community Charter. The Town provides municipal services such as fire, public works, planning, parks, recreation and culture and other general government services.

1. Significant accounting policies:

The consolidated financial statements of the Municipality are prepared by management in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant aspects of the accounting policies adopted by the Municipality are as follows:

(a) Reporting entity:

These consolidated financial statements reflect the assets, liabilities, revenues, expenses and fund balances of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the Municipality and which are owned or controlled by the Municipality. These consolidated financial statements include the Smooth Rock Falls Public Library Board.

All inter-departmental and inter-organizational transactions and balances between these organizations are eliminated.

The investments Solaire Smooth Rock Falls Solar Inc. and 2294834 Ontario Inc. are accounted for using the modified equity basis of accounting, consistent with Public Sector Accounting Standards. Under this method, the government business enterprise's accounting policies, which follow Canadian generally accepted accounting principles for publicly accountable enterprises, are not adjusted to conform with Public Sector Accounting Standards and inter-entity transactions and balances are not eliminated. The Municipality recognizes its equity interest in the annual income or loss of Solaire Smooth Rock Falls Solar Inc. and 2294834 Ontario Inc. in its consolidated statement of operations and accumulated surplus.

(b) Basis of accounting:

Sources of financing and expenses are reported on the accrual basis of accounting.

The accrual basis of accounting recognizes revenues as they become available and measurable. Expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2017

1. Significant accounting policies (continued):

(c) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the tangible capital asset. The cost, less residual value, of the tangible capital assets, excluding land and landfill sites, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful Life - Years
Land improvements Buildings Vehicles Equipment Roads, bridges and culverts	15 20 - 40 5 - 10 5 - 20 15 - 50
Water and sewer	15 - 50 15 - 50

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

(i) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(ii) Natural resources

Natural resources that have not been purchased are not recognized as assets in the consolidated financial statements.

(iii) Works of art and cultural and historic assets

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2017

1. Significant accounting policies (continued):

(d) Revenue recognition:

The Municipality prepared tax billings based on assessment rolls issued by Municipal Property Assessment Corporation, in accordance with rates established and approved annually by Council and the Province of Ontario. Taxation revenue is recognized in the period in which the taxes are levied.

Government transfers are recognized in the period in which the events giving rise to the transfer occurred, provided that the transfer is authorized and the amount can be reasonably estimated. Government grants are recognized when approved to the extent the related expenses have been incurred and collection can be reasonably assured.

User fees and other revenues are recognized when the services are performed or goods are delivered, collection of the relevant receivable is probable, persuasive evidence of an arrangement exists and fees are fixed or determinable. Amounts received for future services are deferred until the service is provided.

(e) Use of estimates:

The preparation of the consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting periods. Significant items subject to such estimates and assumptions include valuation allowances for taxes and user charges receivable, accounts receivable, accrued post-retirement benefit obligations and estimating provisions for accrued liabilities and landfill closure and post-closure liabilities. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

In addition, the Municipality's implementation of the Public Sector Accounting Handbook PS3150 has required management to make estimates of historical cost and useful lives of tangible capital assets.

(f) School Boards:

The Municipality collects taxation revenue on behalf of the school boards. The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards are not reflected in these consolidated financial statements.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2017

1. Significant accounting policies (continued):

(g) Solid waste management liabilities:

The liability for closure of operational site and post-closure care has been recognized based on estimated future expenses, estimated inflation and the usage of the site's capacity during the year.

(h) Pension and employee benefits:

The Municipality accounts for its participation in the Ontario Municipal Employee Retirement System ("OMERS"), a multi-employer public sector pension fund, as a defined contribution plan. Vacation entitlements are accrued for as entitlements are earned.

2. Taxes and user charges receivable:

	2017	2016
Current	\$ 120,249	\$ 134,235
Past due	47,675	46,664
Penalties and interest	17,105	17,127
	\$ 185,029	\$ 198,026

3. Credit facilities:

The Municipality has available a \$750,000 (2016 – \$750,000) demand line of credit. This unsecured line of credit bears interest at the bank's prime rate. At December 31, 2017 \$Nil (2016 – \$Nil) has been drawn against this facility.

The Municipality also has available a \$375,000 (2016 – \$375,000) demand line of credit for capital projects. This unsecured line of credit bears interest at the bank's prime rate. At December 31, 2017 \$Nil (2016 – \$Nil) has been drawn against this facility.

4. Long-term investments:

These investments consist of mutual funds held with Royal Bank Investment Savings and are adjusted to market value at December 31, 2017.

5. Long-term receivable:

A long-term receivable in the amount of \$20,646 (2016 – \$23,595) is outstanding from the Smooth Rock Falls Economic Development Corporation for reimbursement of their portion of the Fifth Street Paved Shoulder Project. The receivable is unsecured, interest-free, and is repayable over 10 years.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2017

6. Accrued post-retirement benefits obligations:

The Municipality provides certain employee benefits which will require funding in future periods.

The Municipality does not have an accumulating sick leave plan that permits usage of sick leave accumulated in prior years or permits payout upon termination, death or retirement. The Municipality provides post-retirement non-pension benefits to eligible employees in retirement.

The Municipality pays the entire cost of the benefit program. The benefits are provided until the retiree's 65th birthday, or death, whichever comes first.

An actuarial estimate of future liabilities has been completed using the most recent actuarial valuation dated May 25, 2016 and forms the basis for the estimated liability reported in these consolidated financial statements.

The following table sets out the continuity of the accrued benefit obligation:

	2017	2016
Accrued benefit obligation, beginning of year	\$ 74,389	\$ 77,905
Add: Benefit/service cost Add: Interest Less: Benefit payments Add: Amortization of actuarial loss	3,363 3,123 (11,289) 260	3,155 3,312 (10,243) 260

Unamortized actuarial gains, end of year	\$ 1,286	\$ 1,026

The significant actuarial assumptions adopted in measuring the Municipality's accrued benefit obligations are as follows:

	2017	2016
Discount rate	4.50%	4.50%
Inflation rate	2.00%	2.00%
Salary escalation	3.00%	3.00%

Health care escalation	4.67% in 2017 a	and reducing to
	4.00% in 2019	

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2017

7. Deferred revenue - obligatory reserve fund:

The continuity of transactions within the deferred revenue are as described below:

	December 31, 2016	Contributions received	Interest earned	Amounts taken to revenue	December 31, 2017
Federal gas tax reserves	\$ 177,747	85,151	1,148	(215,643)	48,403

8. Landfill closure and post-closure liability:

The Environmental Protection Act sets out the regulatory requirements to properly close and maintain all active and inactive landfill sites. Under environmental law, there is a requirement for closure and post-closure care of solid waste landfill sites. This requirement is to be provided for over the estimated remaining life of the landfill site based on usage.

Landfill closure and post-closure care requirements have been defined in accordance with industry standards and include final covering and landscaping of the landfill, ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions with respect to events extending over a twenty-five year period using the best information available to management. Future events may result in significant changes to the estimated total expenses, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

Estimated total expenses represent the sum of the discounted future cash flows for closure and post-closure care activities discounted at Municipality's average long-term borrowing rate of 1.91% (2016 – 1.91%). The estimated total landfill closure and post-closure care expenses are calculated to be \$879,119. The estimated liability for these expenses is recognized as the landfill site's capacity is used. At December 31, 2017 an amount of \$849,062 (2016 – \$820,000) with respect to landfill closure and post-closure liabilities has been accrued.

The estimated remaining capacity of the landfill site is 3% of its total estimated capacity and its estimated remaining life is approximately 2 years. The period for post-closure care is estimated to be 25 years.

19. Segmented information:

The Municipality provides a range of services to its citizens, including police, fire, transportation, recreational and environmental. For management reporting purposes the Municipality's operations and activities are organized and reported by department. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Municipality services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

(a) General Government:

Includes corporate services and governance of the Municipality. General government is responsible for human resource management. Support to Council for policy development, by-law development in compliance with the Municipal Act, tax billing and collection responsibilities, financial management reporting, monitoring and overall budget status is provided as well as frontline reception and customer service.

(b) Protection Services:

Includes policing, fire protection, protective inspection and control and emergency measures. The mandate of the police services contract is to ensure the safety of the lives and property of citizens; preserve peace and good order; prevent crimes from occurring; detect offenders; and enforce the law. Fire protection includes detection, extinguishing and suppression services; and prevention education and training programs.

Inspection and control includes building inspection, by-law enforcement and dog control services.

(c) Transportation Services:

This department provides the winter and summer maintenance, the repair and the construction of the municipal roads system including bridges and culverts.

(d) Environmental Services:

Includes the management and maintenance of water and wastewater system, the landfill site, transfer stations, and the waste collection system that serves the Municipality.

(e) Health Services:

The Municipality provides ambulance services through the District Social Services Board, Cemetery Services and a range of public health services through the Porcupine Health Unit.

(f) Social and Family Services:

The services are provided indirectly by the Municipality through the District Social Services Board and include family and children's services, housing services and seniors clubs.

19. Segmented information (continued):

(g) Recreation and Cultural Services:

Provides recreation and leisure programs and facilities, including community halls, libraries, parks, recreation fields and arena. It also provides building maintenance services to all municipal facilities.

(h) Planning and Development:

Manages rural development for business interest, environmental concerns, heritage matters, local neighbourhoods and community development. It facilitates economic development by providing services for the approval of all land development plans, the application and enforcement of the zoning by-law and official plan, and the provision of geographic information services.

For each segment separately reported in the schedule below, the segment revenue and expenditures represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. These municipal services are funded primarily by taxation such as property tax revenue. Taxation and payments-in-lieu of taxes are apportioned to these services based on the net surplus. Certain government transfers, transfer from other funds, and other revenue have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.
