CIP Incentives

To encourage residential, commercial and industrial development, the Council of the Town of Smooth Rock Falls adopted a Community Improvement Plan (CIP). The CIP provides a number of financial incentives to help new and existing residential, commercial and industrial residents develop and renovate their properties and businesses.

The complete CIP plan is available on our website at:

<https://www.smoothrockfalls.ca/doing-business-here/programs-and-incentives/>

For new residential properties, the following programs are available:

Municipal Property Acquisition and Sale Program

The Municipal Property Acquisition and Sale Program provides a rebate of up to 90% of the purchase price of a municipal surplus lot. If approved, the Town will reimburse the purchaser of the property up to 90% of the purchase price once the purchaser has constructed a dwelling on the lot within 2 years of purchase. For example, if the purchase price of the lot is \$5,000, upon completion of the dwelling the purchaser would receive a cheque for \$4,500.

Tax Increment Grant Program

The Tax Increment Grant Program provides a grant towards property taxes starting on the first full year of taxation. In most cases, the first full year of taxation is the year after construction of a dwelling has been completed. The grant amount is based on the amount of tax increase that has been assessed on the property by the Municipal Property Assessment Corporation (MPAC). In the first year the grant is 100% of the increase, the second year is 50%, and the third year is 25%. The grant does not include the education taxes as the municipality does not have authority over education taxes.

Loan Guarantee Program – Residential

The Residential Loan Guarantee Program is meant as a last resort for potential purchasers who have exhausted all other financial options. It provides a loan guarantee not exceeding 50% of the construction costs to a maximum of \$100,000.

ALL CIP INCENTIVES ARE SUBJECT TO APPROVAL

Frequently Asked Questions

1. Does the Town of Smooth Rock Falls have public properties available for sale?

The Town of Smooth Rock Falls has declared a number of residential, commercial, rural, and industrial properties as surplus, which allows the properties to be sold to the public. A listing of currently available properties is on our website:

www.smoothrockfalls.ca/doing-business-here/available-property-2/

In addition to the properties listed on our website, the Town of Smooth Rock Falls owns a number of other properties within the community. Although they are not presently declared surplus, they may become available at a future date.

There are a number of private properties available for purchase within the Town, some are listed through realtors (www.realtor.ca) and others are being sold privately.

2. How can I purchase a surplus lot from the Town?

If the lot is available by tender

Once a residential lot is declared surplus by the Town, it must first be sold by tender. A tender is a bidding process, the Town advertises that the lot is available and provides a period of time in which bids will be received. Bids must be submitted to the Treasurer in a sealed envelop that clearly states it is a tender bid and provide the address of the lot being bid on. Tenders must also include contact information, the price being offered by the bidder, and a deposit of 20% of the bid price. Detailed information and instructions on the tender process can be found in the tender advertisement by the Town when it has been publicly posted. Tenders are normally awarded to the highest bidder who meets the other requirements of the tender.

If the lot is available by offer

If there is no successful purchaser during the above tender process, the Town can then sell the lot off by offer. Interested purchasers can approach the Town with a written offer to purchase the lot (document available from the Town), and then the Town will review the offer to determine if it is acceptable or not.

3. What kind of incentives are available?

At the time of tender, you may apply for incentives under our Community Improvement Plan.

For residential lots, you may qualify for the Municipal Property Sale and Acquisition Program which provides a rebate of up to 90% of the purchase price of the lot once a dwelling has been built on the lot. You may also qualify for the Tax Increment Grant Program which once a dwelling has been constructed provides a 3-year grant starting on the first year of full taxation. The ground amount staggers from a 100% grant towards the tax increase in the first year, to 50% in the second year, and then to 25% in the third year. A Residential Loan Guarantee Program is available to assist the purchaser in obtaining financing from a financial institution, the guarantee is meant as a last resort for those who have exhausted all other financing options. Further information on incentives can be found on our website, including a downloadable copy of the Community Improvement Plan. All incentives are subject to approval.

4. Will I be approved for the Community Improvement Plan incentives?

The Council of the Town of Smooth Rock Falls has by resolution authorized administration to grant the Municipal Property Sale and Acquisition Program rebate of up to 90%, the Tax Increment Grant Program grants, and other incentives to qualified applications. Applicants must apply for the incentives, approval is subject to review by administration.

5. Are there any conditions for purchasing these surplus lots from the Town?

The purpose of selling surplus lots is to encourage development within our community. During the tender or sale process, the purchaser must enter into an agreement with the Town of Smooth Rock Falls to construct a building on the lot (a dwelling for residential lots) within 2 years of the purchase date; should a purchaser fail to construct a building within that time period, the property ownership will revert back to the Town and a refund given to the purchaser less fees and penalties as specified in the purchasing agreement.

6. Will the Town of Smooth Rock Falls help me with my property purchase and development?

Our staff are available to answer any questions you may have and will direct you to resources that may assist you. Our team will work cooperatively with you

through the purchasing process and the Building Permit process. Please do not hesitate to contact the town office should you have any questions or concerns.
